

£360 BARBECUE

GOSBERTON Parish Church held a recession-beating barbecue on Sunday afternoon.

The ninth annual barbecue, held in the garden of Peter and Jean Casswell's Monks Hall home, attracted around 120 visitors, who enjoyed a meal of roast pig, sausages, burgers and salad.

Mrs Jean Casswell said she was very pleased with the event, the attendance, the help and support of the team of helpers, and the salads donated by members of St Peter and St Paul's Church, Gosberton.

The event, which also included a raffle, raised

£360 - a slight increase over last year's event - for the 1993 Tulip Time flower festival.

During the afternoon Mrs Ella Chapman (who has offered to organise two cricket teams) was presented with a cricket set and a challenge offered by Gosberton vicar the Rev Tom Williamson, for a cricket match in August or September.
